June Program

Chris Nungester and her husband Hal are the founders of the Haitian Interdenominational Shelter (H.I.S. Home) in Port-au-Prince, Haiti, where they provide for the needs of up to 150 orphaned and abandoned children at one time. Chris spent 10 years as an emergency paramedic and is a licensed social worker with an emphasis in child welfare. Chris and Hal raised six children in Ohio before moving to Haiti to begin their ministry to "the least of these." The Nungesters will be in the U.S. this summer to help with the H.I.S. Home 300 Bicycle Ride and spend time with the three Haitian children they themselves have adopted. Come in June to hear firsthand how God has moved mountains in Haiti so many children in poverty can heal, thrive, and become members of loving families.
